

The

Edgerton Explorit Center

Your gateway to the world of science!

Distance Learning Services

Seeing Through the Eyes of Discovery

This is our signature distance learning show designed to shed light on the process of discovery and inspire learning through the legacy of Doc Edgerton. It may seem as if all of the great discoveries have already been made, but learning to “see through the eyes of discovery” will help you experience personal discovery which is every bit as important as being the world’s first. **(1 hour)**

Price: \$90 (Nebraska Schools)
\$110 (Outside of Nebraska)

Standards: 4.1.1, 4.2.1, 4.3.3, 4.6.2, 4.8.1
8.1.1, 8.2.1, 8.6.2, 8.8.1

Super Cold Chemistry

Have a arctic “Blast” learning the properties of dry ice and liquid nitrogen during the 45 minute demonstration that proves science is cool! Learn about the states of matter and see what happens when gasses expand, cookies freeze and rockets go flying.

Price: \$75 (Nebraska Schools)
\$90 (Outside of Nebraska)

Standards: 4.1.3, 4.3.1
8.1.3, 8.3.1

Don't see what you want? Just ask we will see what we can do!!

What can we do?

The Edgerton Explorit Center’s video-conference capabilities include IP, JPEG and iChat. Our system can also serve as a bridge so that JPEG schools can conference with NASA over IP and much more. For more technical information please contact Chad Johnson at chad@edgerton.org or call (877) 694 – 4032. The possibilities are endless!

The Go Show

Forces, motion and Newton’s Laws are the focus of this 45 minute demonstration. Join us as we discuss Hero engines, expanding gasses and objects at rest. Fasten your seat belts because this show is always on the “Go!”

Price: \$75 (Nebraska Schools)
\$90 (Outside of Nebraska)

Standards: 4.3.2
8.3.2

How to Schedule

If you would like to schedule a distance learning video conference please contact:

Chad Johnson
2008 16th Street
Aurora, NE 68818
